Welcome to Peachtree Hills Animal Hospital!

We are honored that you have chosen to entrust us with your pet's health. We realize you have many choices in veterinary care, so we strive to give you and your pet the highest quality of medical care in a relaxed, friendly setting.

Our website is a great resource for information and communication. Here you can access our PetLink™ online system to securely check your pet's medical records, make appointments, manage prescriptions and access a medical library of information. For late-breaking veterinary news, product recalls and news about our practice, please follow us on social media!

We've always believed that our focus should be not only on the animal but on the pet owner's experience as well. The diagnosis and treatment of animals is a critical part of our job, but we must also thoroughly explain the disease, treatment regimen and possible outcomes to owners. We understand your pet is a family member, therefore, our recommendations must be appropriate for your pet and reasonable for your family.

If you have questions or concerns at any time, please feel free to contact us directly. We all look forward to serving you and getting to know you and your pet.

Sincerely,

The Staff at Peachtree Hills Animal Hospital

Dr. Duffy Jones

Dr. Keri Weyl

Dr. Edith Rogers

Dr. Sharon Nath

Dr. Tara Ritttle

Dr. Leslie Priest

Dr. Laura Schneider

REFER A FRIEND!

Referrals are our most valuable resource for growing this practice, and we are proud that the majority of our patients come into our practice on the recommendation of a friend or family member.

As an expression of our appreciation for anyone you refer to us who becomes a new patient of PHAH, we will apply a \$50 credit to your PHAH account to use on any products or services. And that goes for each and every additional friend or family member who becomes a new patient here as a result of your good word.

There is no greater complement to our practice than you recommending us to someone you know. And rest assured we will provide your referred clients with the same quality medical care and customer service that you have come to expect from us.

We greatly value you and look forward to a continued relationship with both you and your pet!

Thank you for liking us on Social Media!
